Welcome to Frontline Martial Arts and the Alveston “Mighty Mites”.

Welcome to our club. The purpose of this pack is to provide you with information as you begin training in martial arts. There is lots more information on our website, and of course, feel free to ask us any questions.

We provide classes for children (from 4 years of age) and adults (any age!). We mainly practice Korean style martial arts – Taekwondo, Tang Soo Do & Hapkido - but we enjoy incorporating influences from many other styles of martial arts.

We are a community based, family club, run on a not-for-profit basis. Our emphasis is on learning martial arts/self-defence in a fun and supportive environment.

During your training you will learn new skills and techniques, experience a continual sense of achievement, get fit and meet new friends.

You will learn effective self-defence techniques and how to avoid the need to use them! You can compete in a whole new sporting experience which could, with dedication and hard work, take you all the way to the Olympic Games!

Your confidence will soar, your fitness improve, your concentration levels rise and, above all, you will have fun doing it ... smiling is definitely encouraged!

You will probably pick up some bumps and bruises along the way, this is the nature of martial arts training, but you will train in a safe, monitored and child-friendly environment. We have a Welfare Officer / Child Protection Officer, qualified to the highest level possible and the instructors are DBS criminal records checked.

Grandmaster Simon Evans – 8th Dan
Chief Instructor
